REVIEW OF WICHITA BODIES. The pyrotechnic career of the local organization of Scottish Rite Masonry is so really marvelous and brilliant that a brief recapitulation must be of interest to all readers. Its empryonic state was commonplace and primeval enough. Eleven years ago the co-ordinate bodies in this valley were organized with twelve charter members. They then met in the Hacker and Jackson block, corner Doughas avenue and Fourth, in lowly quarters. Cathedral property, corner of Market and are: that very soon it became evident that nmodations were entirely inadequate and it was talked among the mem. bers to erect a new edifice on that site. In the meantime the massive and architentural Y. M. C. A. structure, corner of who held the indebtedness and the execwhich was finally effected January 1, 1808. \$11.000 for remodeling, decorating and furand attention during the struggling early trionic gifts, and patient, willing reads, time Republic Uraguas, Colon. period of the Consistory, and at least ness to serve his rure and gifted talents Unidos de Mexico, Gresce, steadfast perseverance and inspiring faith its ebb and just such powers most in de. Dominicans, Sweden, Norway, Denmark, in the ultimate cutcome, the fruits of their mand. Henry Wallenstein, Fred Stuckey, Chie and Spain.
